Attn: Mr. Joseph Hipfel

Re: Status of funds for local share of 1990 State Issue 2 Project

Dear Mr. Hipfel:

This letter is in follow-up to conversations you have had with the Engineering Division regarding the status of the City's matching funds for the 1990 State Issue 2 program.

The local matching share is recommended by the City Manager for funding in the City's 1990 Capital Improvement Program. The funds are coming from Street Improvement Bonds which are scheduled for sale on January 31, 1990.

Very truly yours,

F.A. Dawson

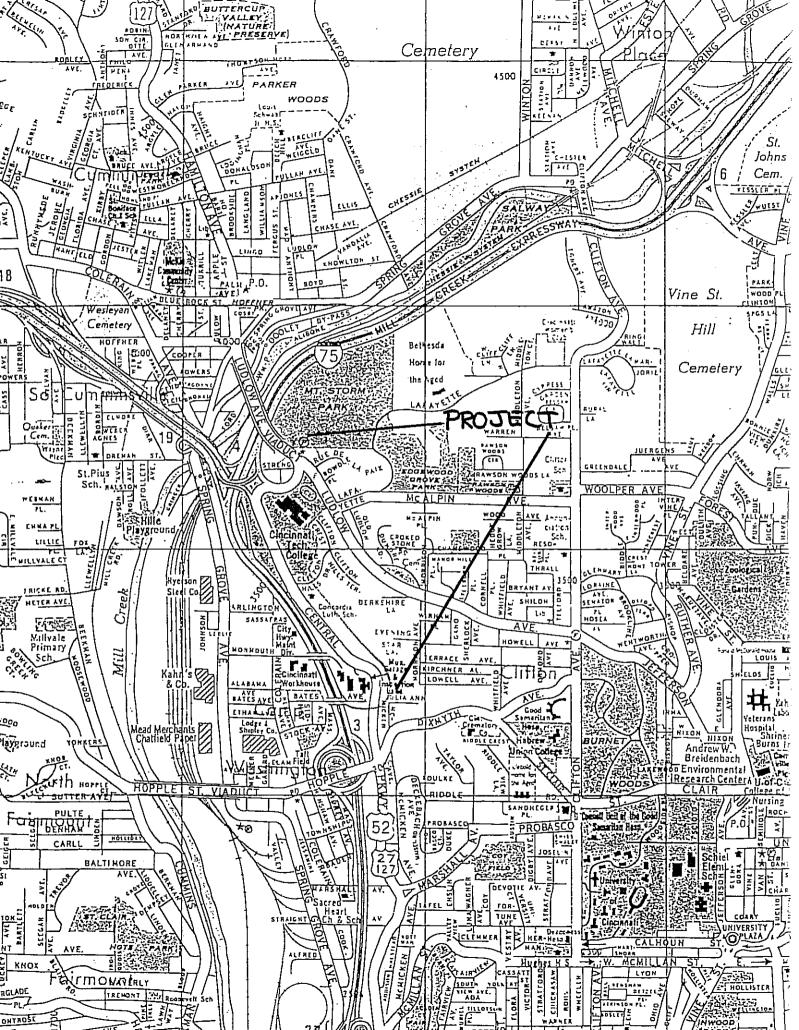

Director of Finance

For storm sewers, sanitary sewers, water lines, and

- 3. The applicant has conducted a study of its existing capital improvements and their condition. A five year overall Capital Improvement Plan (that shall be updated annually) is attached or on file with the District 2 Integrating Committee for the current year or shall be submitted by March 31 of the program year. The Plan shall include the following:
 - a) An inventory of existing capital improvements, including their condition,
 - b) A plan that details capital improvements needs during the next five years and,
 - c) A list of the political subdivision's priorities in addressing these needs.

The attached Form 1 shall be completed for those projects which are being submitted for Issue 2 funds.

THIS STREET IS PART OF THE FEDERAL AID URBAN SYSTEM AND IS	
CLASSIFIED AS A MINOR ARTERIAL.

POINTS		
10	1.	Type of Project
		10 points - Bridge, road, storm water. 3 points - All other type projects.
<u>lo_</u>	2.	If Issue 2 Funds are awarded, how soon after the agreement with OPWC is completed would bids occur?
		10 points - Will be let in 1990 5 points - Likely to be let in 1990 0 points - Not likely to be let in 1990

3. What is the condition and/or serviceability of the infrastructure to be replaced or repaired. For bridges, base condition on latest general appraisal and condition rating.

10 points - Closed

8 points - Extremely Poor

6 points - Poor

4 points - Fair to Poor

2 points - Fair

0 points - Good

4. Of the total infrastructure within the jurisdiction which is similar to the infrastructure of this project, what portion can be classified as being in poor to very poor in condition, and/or inadequate in service.

10 points - 50% and over

8 points - 40% and over

6 points - 30% and over

4 points - 20% and over

2 points - 10% and over

5. How important is the project to the health, welfare and safety of the public and the citizens of the district and/or the service area?

10 points - Significant importance

8 points -

6 points - Moderate importance

4 points -

2 points - Minimal importance

6. What is the overall economic health of the jurisdiction?

10 20 points - Poor

5 16 points -

ch2 points - Fair

4 & points -

10

2 4 points - Excellent

7. Are matching funds for this project available? (i.e., Federal, State, MRF, Local, etc.). To what extent of estimated construction cost?

10 points - More than 50%

8 points - 40-50% and over

6 points - 30-49% and over

4 points - 20-29% and over

2 points - 10-19% and over

Has any formal action by a Federal, State or local governmental agency resulted in a partial or complete ban of 0 the use or expansion of use for the involved infrastructure? This includes reduced weight limits on bridges.

10 points - Complete ban

5 points - Partial ban

0 points - No action

What is the total number of existing users that will benefit as a result of the proposed project. Use appropriate criteria such as households, traffic count, public transit, daily users, etc. and equate to an equal measurement of persons.

5 points - Over 10,000

4 points - Over 7,500 to 9,999

3 points - Over 5,000 to 7,499

2 points - Over 2,500 to 4,999

1 points - Under 2,449

Does the infrastructure have regional impact? (May consider 10. size of service area, trip length or total length of route, number of jurisdictions, functional classification, etc.)

5 points - Major impact

4 points -

3 points - Moderate impact

2 points -

1 points - Minimal impact
